

At **Barr's** MISSOURI'S GREATEST STORE. A Preliminary Showing in Order to Hasten Easter Preparations

Wash Fabrics.

Women of taste have chosen wisely in making their prettiest summer gowns of the dainty washable textiles. No other material can be woven into such beautifully fine soft and yet strong a fabric as cotton. No other textile will lend itself with such grace to the fashions of 1902. So great is the demand that some lines are becoming exhausted quickly and it will be impossible to duplicate our orders for them. Therefore, we counsel early selection from this superb stock now ready at Barr's.
